'Principles, Purpose, & Time' Horsemanship Clinic

Jump on this opportunity to fulfill your horsemanship needs!

Are you having trouble with:

- Understanding your horse?
- Confidence in riding or cantering?
- Knowing what's next for you and your horse?
- Knowing how to accomplish your Goals or Dreams?
- Having the worst horse on the trail?
- Separation anxiety?

In this clinic we will help you address the issues you are having with your horse, and get the breakthrough you have been after. Empower yourself through your horsemanship this fall and winter.

You will also see demonstrations and participate in simulations designed to set you up for success!

What you will learn:

- *Reasons behind the Principles
- *Correct riding dynamics
- *How to develop confidence (in you and your horse)
- *Essential ground skills for riding success
- *The steps to build bridle-less riding

Principle – Gross motor skills of what to do

Purpose- Fun with Sports, Dressage transitions, reining circles, Jumping

Time- Spend three full days with your horse and personalized instruction
