General Itinerary:

Friday – Pam Bullington will be giving Classical Dressage lessons for 1-2 students at a time – all auditors welcome! We will also have some upper level test rides in the early evening if you want to arrive early.

Saturday – Ride-a-Test Schooling show with Don and Pam in the warm-up and Katharina judging. Ride-a-Test gives every rider the opportunity to ride their test twice before the judge with a short critique in between. Only the second test will be scored. We are offering all USDF and WDAA Introductory, Training/Basic and Level 1 tests. You are typically in the arena for 15-20 minutes and are expected to come in warmed up. This is an excellent opportunity to ride a test and immediately receive feedback and an opportunity to improve your ride!

Sunday – Follow-up individual Western Dressage lessons with Don to continue to work on areas that need improvement based on your tests from the previous day. This could be suppleness, impulsion, balance, accuracy or rider position or all of the above. Augmented by un-mounted Double-Lunge lessons with Katharina to improve your horses suppleness and to show you techniques to teach them how to stretch down and improve their bend and balance.

Friday lessons with Pam, please contact Katharina Nowotny-Boles at knowotnyboles@hotmail.com.

Saturday Rides are \$25 at Intro and \$30 for Training/Basic and up. You can ride as many times as you would like.

Sunday we will have one 30 minute lesson with Don and a Double-Lunge lesson with Katharina for \$60.

We look forward to seeing you! **For more info:**
